

(Textile Engineering Department)

Undergraduate

---

Course Title: **Printing Workshop**

Prerequisite: Printing

Number of Credits: 1

Lecturer: Mrs. Tahere Moeeni

---

Course Topics:

- preparing of Thickener
- Printing of Cellulose with Reactive Dyes
- Printing of Wool with Acid and Metal Complex Dyes
- Spray Printing
- Printing of Cellulose Acetate With Disperse Dyes
- Printing of Polyester with Disperse Dyes
- Printing Of Poly Amide with Acid and Metal Complex Dyes
- Printing of Poly Amide Dyes with Disperse Dyes
- Printing of Acrylic With Basic Dyes
- Printing of Cellulose/Polyester with Reactive/Disperse Dyes
- Pigment Printing
- Pick Up Printing
- Transfer Printing
- Crimp Printing
- Burning Print
- Battick Printing

Reading Resources:

- "Textile Printing", Reggiani Machine., Milan, at ITMA 1995.
