### Taught Courses

#	Course title	Description	Headlines	Date
1	Polymer Techninal Language	Review of Polymer Engineering and Color Technology Topics Presented in English or in Text		Fall 2021
2	Polymer Chem.	Synthesis of Polymers, Investigation of Polymerization Mechanisms		Fall 2021
3	Polymer Chem.	Synthesis of Polymers, Investigation of Polymerization Mechanisms		Fall 2021
4	Polymer Techninal Language	Review of Polymer Engineering and Color Technology Topics Presented in English or in Text		Spring 2021
5	Polymer Chem.	Synthesis of Polymers, Investigation of Polymerization Mechanisms		Spring 2021
6	Polymer Chem.	Synthesis of Polymers, Investigation of Polymerization Mechanisms		Fall 2020
7	Polymer Chem.	Synthesis of Polymers, Investigation of Polymerization Mechanisms		Fall 2020
